Accounting and annual compliance for small businesses

Blackridge Finance is a CA(SA)-led accounting practice focused on reliable monthly books and ordinary company financial statements, tax and CIPC compliance.

What we do

- Monthly bookkeeping, Xero records and bank reconciliations.
- Routine journals, monthly profit-and-loss and balance-sheet reporting.
- Standard annual financial statements, company income tax and two provisional tax returns.
- CIPC annual returns and straightforward annual beneficial ownership filings.
- Simple payroll and ordinary VAT where specifically agreed.

Monthly packages

Micro Compliance	Small Business Compliance	Growth Accounting
R1,695 / month	R2,795 / month	From R4,995 / month
50 bank lines · 1 account · 20 documents	100 bank lines · 2 accounts · 40 documents	200 bank lines · 3 accounts · 80 documents
Xero Cashbook	Xero Standard	Xero Standard + ordinary two-monthly VAT

Every package includes one agreed full-year standard AFS, ITR14, two IRP6 returns and routine CIPC/BO, supported by monthly bookkeeping and standard reporting.

Other services

Bookkeeping-only from R1,350/month; optional simple payroll R750/month; ordinary VAT on Small R750/month. Defined catch-up work and standalone annual filings may be quoted separately.

How we work

- Review the activity, bank and document volumes, opening records and due dates.
- Agree a written package, covered period, monthly fee and setup work.
- Complete a practical monthly close and support routine annual filings.
- Refer specialist matters outside the agreed scope to independent professionals.
